Corporate Actions notifications and advices are also available for your consultation in Deutsche Wealth Online (DWO), Deutsche Bank Wealth Management online banking tool, on the same day as the information is received by the Bank, and in any case no later than by 10am on the next business day, as required by the Shareholder Rights Directive II (SRD II). Please note that DWO might not be available in all countries and jurisdictions. Please contact your Relationship Manager for more details.

The bank will credit dividend coupons as well as redemption amounts collected for the client in a foreign currency only in such currency to an account of the client if the client maintains a current account in such currency with the bank. If the client does not maintain a current account in the respective currency with the bank, the bank will convert dividend coupons as well as redemption amounts in the main currency of the client at the then applicable spot rate of exchange and credit the converted amounts to the respective current account of the client.
